### **ReliOn Adds Scott Fox to Board of Directors** *27 year wireless veteran to serve in advisory role*

**Spokane, Wash.:** ReliOn, the leading provider of high reliability fuel cell solutions for backup power applications, today announced the appointment of outside director Scott Fox, a twenty-seven year veteran executive of the wireless telecommunications industry. Mr. Fox is the current Chairman and CEO of Global View Partners, Inc., an investment, mergers and acquisitions and strategic consulting company focused exclusively in the wireless industry.

Mr. Fox has held leadership roles with a number of companies in the telecommunications space. He was the co-founder of Digital Orchid, Inc, a U.S.-based innovator in the development, management and distribution of branded wireless content and applications in the areas of entertainment, sports and gaming. Mr. Fox also was Group President – Wireless Facilities, Inc. (WFI), the global leader in wireless telecommunications strategy, design, deployment and outsourcing. Prior to WFI, Mr. Fox spent five years as Vice President Strategy and Chief Technology Officer for BellSouth. Additionally, he was the Chairman and member of the Board of the global GSM Association, the world's leading wireless industry association, consisting of 750 member organizations.

“Scott brings a wealth of telecommunications industry knowledge and experience, having been involved with both industry giants and start-up ventures,” said Gary Flood, president and chief executive officer of ReliOn. “His extensive background and participation in the wireless industry makes him a valuable contributor and a great addition to ReliOn’s Board of Directors. We are pleased that he has joined ReliOn, and we look forward to working closely with him to achieve ReliOn’s business objectives.”

#### **About ReliOn:**

ReliOn is a leader in the development and marketing of modular Proton Exchange Membrane (PEM) fuel cell products. The company markets commercially available fuel cell products using its patented Modular Cartridge Technology®. ReliOn products are available domestically and internationally for commercial and
